

# The Bra-ha-ha®

## BRA AUCTION PERMISSION FORM

The silent auction will include bras from this year's competition. As the bra maker, you have the option to keep your bra or donate it to the Bra-ha-ha® for auction. Funds raised from the auction support the Breast Center and breast health services at Chesapeake Regional Healthcare. If you choose not to submit your bra for the auction, it will be available at bra pick-up on Sunday, October 27, 2019, from 12-6 p.m. at Tidewater Community College - Chesapeake Student Center.

Chesapeake Regional Health Foundation reserves the right to keep all winning bras for promotional purposes. Bra makers are encouraged to display their bras in local businesses, community organizations and in homes through the month of October to help spread more awareness about breast cancer. Please bring a valid ID for pick-up. Bras that are not picked up by 6 p.m. on October 27, 2019, become the property of Chesapeake Regional Healthcare.

At the core of The Bra-ha-ha®, the community comes together to celebrate the stories, the survivors and the spirit of those working to promote breast health. We truly appreciate your support of this event by devoting your time and talent to create a uniquely inspired bra design.

Bra Exhibit: October 20 to October 26 at Tidewater Community College - Chesapeake Student Center.

Yes, please auction my bra     No, do not auction my bra
